

EQUIPMENT LOAN PROGRAM DETAILS

Prerequisites

- Equipment loans are reserved for individuals who have previously participated in OAS programing and have prior experience using their requested equipment.
- Individuals looking to borrow equipment must be familiar with the safe and proper use of that equipment.
- Individuals must meet Essential Eligibility Criteria for participating in this program. Please reference the Essential Eligibility Criteria for the Equipment Loan Program [HERE](#).

Terms and Conditions

- Safety gear specific to the loaned equipment are required at all times when equipment is in use. For Example: Helmets are required for all cycling loans, Type III Personal Floatation Devices are required for all paddling equipment loans.
- Cycling equipment can only be used on paved routes and roads accessed from your home and neighborhood.
- Cycling equipment can NOT be transported by personal vehicle. This is to minimize damage beyond normal wear and tear.
- Individuals may borrow equipment for up to 4 weeks depending on OAS program needs and loan requests for that same equipment.
- Individuals must be prepared to return equipment if asked to do so by OAS staff. Staff will notify the participant and schedule a pick up.
- All Equipment loans are at the discretion of OAS staff.

Prior to borrowing equipment from OAS, athletes must...

- Update their athlete account if any personal information has changed
- Submit an [Equipment Loan Request Form](#) one week prior to preferred drop off date
- Complete and sign the OAS Equipment Agreement and Release and OAS/Move United Waiver and Release of Liability Agreement
- Complete a Virtual Fit Up with OAS Staff

Covid Safe Exchanges

- Equipment Fit Ups will be conducted remotely via video conferencing
- OAS staff will deliver loan equipment to your home (travel distance may be limited)
- Loan drop offs/pickups, and any in-person equipment assistance will follow social distancing guidelines
- Equipment will be properly sanitized prior to drop off

Program Cost

- This is a Loan Program. There is no fee for borrowing OAS adaptive equipment. Please refer to the Equipment Loan Agreement for financial responsibility if OAS equipment is damaged beyond normal wear and tear or stolen while in your possession.
