

Bend Bike Scavenger Hunt pt. 3 – NWX

- 1. CPSASOM AKRP:** Circular park that marks the center of this area, some may say you can use it to navigate
- 2. AKTRCR TA OCCC:** People who train for running often frequent this space at the local college
- 3. ESHVNI NSMMCOO EIADHARLT:** the lesser known and upper of the trailheads for this beautiful park just on the NW edge of NWX, can be found right off the main road amidst neighborhoods
- 4. ALKE TA VSREDYIOC KPRA:** This man made park water feature might look like a good spot to swim, but park signage says otherwise... this shares the space with a dog park and lots of green grass
- 5. MERBAK:** this multipurpose building is home to a dog technical gear company, a bike shop, a co-working space and a gym
- 6. HTMPU EEOCFF:** this local spot not only serves up some amazing beverages and pastries, but looks over the Summit HS sports fields and out to the mountains
